

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE TESLA, INC. SECURITIES
LITIGATION.

Case No. [18-cv-04865-EMC](#)

**ORDER RE SCHEDULE FOR
PRETRIAL FILINGS**

Docket No. 409

The Court has reviewed the parties' stipulation and proposed order regarding the schedule for pretrial filings. *See* Docket No. 409 (stipulation and proposed order). The Court modifies the parties' stipulation as follows.

1. The parties shall be permitted to file "early" motions in limine ("MILs").
2. Each side shall file no more than three (3) early MILs. This will count against the five (5) MILs that the Court typically permits. A party that seeks to file more than five (5) MILs total must ask for leave to file and must establish good cause. The good cause requirement shall be strictly enforced.
3. Each early MIL shall be no longer than ten (10) pages, and oppositions shall also be so limited in length. There shall be no reply briefs. The parties are expected to meet and confer thoroughly before the filing of any and all MILs so that each side is well apprised of the other's position and there is no need for reply briefs. The meet and confer(s) must be voice-to-voice; a written meet and confer(s) is insufficient.
